Help Us
Raise
\$20,000

LADIES,

Thank you for participating in the 20th Anniversary, Old Salt Ladies Inshore/Offshore Fishing Tournament held June 26th and 28th! Since this is a very special anniversary we decided to make a special goal of raising **20,000** in our FISH-A-THON! **With a matching grant from the Lichtenberger Foundation we can make this goal a reality.** We **CHALLENGE** you to a **FISH-A-THON!** Last year's Challenge raised over \$5,000 in additional funds, we know with little effort Ladies we can exceed this goal!

Here's how it works:

Solicit pledges from "sponsors" (friends, relatives, neighbors, business associates) in any amount. Then Fish the **CHALLENGE** (tournament) with us! The **FISH A THON** does not require any additional entry fees or funds (unless you want to sponsor yourself), and has no effect on the regular tournament. Ladies every dollar makes a difference and get's us one step closer to a cure!

Anglers are responsible for collecting their pledges and remitting them to the Old Salt's by the end of the weigh in on June 28th. The 2 anglers generating the greatest \$\$ in pledges will receive gold pendants from Johnston Jewelers and the next eight highest pledges will receive HOBE sunglasses. Prizes will be awarded along with tournament awards at weigh in.

- Participation in the "**FISH-A THON**" is completely voluntary!
- Get your pledge forms at www.oldsaltfishing.org or email jill@stargg.com
- Make Pledges Payable To the Celma Mastry Ovarian Cancer Foundation.

We hope you accept this **CHALLENGE** and participate in the **FISH A THON.**
Thank you for supporting the Old Salts and the Celma Mastry Ovarian Cancer Foundation!

Fish-A-Thon Donations

will be matched by the

Lichtenberger Foundation

"In Honor of our friends who have succumbed to Cancer and those who are still fighting it."
